Rev. 2019.1

Wine and Liquor Dispensing

Any tower can be made with Wine Certified Parts. Most of our towers can be made to have a multiple types of beverages dispensing at different faucets (Beer, Wine , Cider, Water etc.)

From vineyard to glass, wines on tap are fresh and bright, and can be enjoyed in the same condition as when they were kegged. With Wine on Tap, you never have to worry about open bottle decreasing in quality and losing flavor profiles. There are numerous premium wine brands available on keg these days. Wine on Tap is both cost effective as well sustainable.

While any of our towers can be made to have one or multiple wine lines, following pages shows some of our most popular products used for wine dispensing. These use 304 grade Stainless Steel and other wine specific parts to preserve the freshness and taste of the wine.

Limited One Year Warranty

Chill Passion Inc. warrants that its products will be free from defects in material and workmanship, under normal use, regular service and preventative maintenance for 1 year from the date of sale.

Warranty is for first- end users only. Some products which are not made by Chill Passion Inc. are warranted by their respective manufacturer, therefore, this limited warranty does not apply to such products.

If any defect is discovered, Chill Passion Inc., after receipt and inspection will at its option, either repair, replace or refund the price of the item. Other costs incidental to replacement including labor cost, loss of sales and/or loss of product must be borne by the user. This warranty does not cover failure due to abuse, improper usage, or progressive wear and tear.

Hours

Hours Monday through Friday: 8:30 am- 5:00 pm CST.

Ordering Procedure

Phone orders can be placed at 630-372-7005 during regular business hours. Orders can be faxed to (630) 823 8486 or emailed to sales@chillpassion.com.

While many items can be shipped within 2-3 days of order placement, the standard lead time on build-to-stock items is 5-7 business days. Lead time on custom items and other items may vary.

Receiving Merchandise

Inspect your shipment when it is delivered. If your package has arrived damaged or otherwise tampered with, notify your delivery person immediately. Customers are responsible for checking their order when it arrives to ensure that all items are present. If there are any discrepancies, please notify immediately(within 5 business days). Chill Passion Inc. is not responsible for missing items unless notified by customer within the allowed period. In the event of merchandise damaged in shipment, please retain merchandise, records and all packing materials for inspection by carrier.

Terms

All orders are sent FOB Streamwood, IL. We accept all major forms of payment. Any invoice past 30 days will delay future shipments. Chill Passion Inc. reserves the right to change the prices and specifications of equipment and/or material without notice. We reserve the right to correct printing errors.

Return Policy

Authorization is required for any merchandise return. Describe the items being returned and the reason. All returned items must be unused and in original condition including the original packaging, documentation, manuals and accessories. All returns are subject to a minimum 15% handling and restocking charge. Build to order items and custom sizes are not returnable.

Customers are responsible for all shipping charges. Freight must be prepaid on all returned parts. Chill Passion Inc. is not responsible for returned shipments that are lost, pilfered, or damaged.
